Border Ideas

How you choose to finish a sampler quilt will depend on several factors:

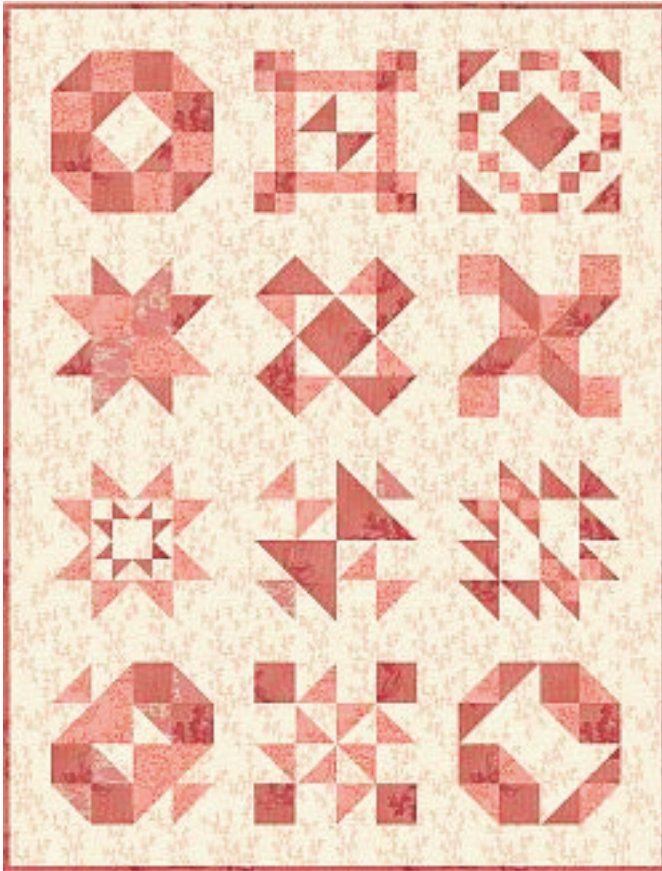

- the intended use (decor, bed, etc.)
- the intended recipient
- the amount of money you want to invest in fabric
- the amount of time you want to invest

The ideas on the next page present a range from a super simple design appropriate for a baby quilt to an elaborate design for an heirloom bed quilt. Quilts presented use 12" blocks. Measurements refer to finished size and do not include seam allowance. Estimated fabric requirements are for unpieced border strips. Fabric for binding is based on self-made double-fold binding made from 2 - 2.5" wide strips. (Kitty appliques on blocks are optional and are not shown on the quilts.)
